

Idaho Beach Volleyball Club

Sponsorship Opportunities

Our story: Idaho Beach Volleyball Club LLC is going into its third year as Idaho's first and only beach volleyball club. We operate out of the Boise State sand courts, located on campus. Alex Venardos has been the director for two years now, and is entering his seventh season working with Boise State Beach Volleyball as an assistant coach. The other coaches and staff are comprised of Boise State student-athletes and coaches. Our goal is to provide opportunities for people of all ages to not only fall in love with the sport of beach volleyball, but also find ways to grow their own game and their community.
